Re: Patent Application of: ROBERT M. FOUS  
Serial No. 10/662,036  
Filed: September 11, 2003  
Group Art Unit: 3732  
Examiner: ANDREW SUTTON

Sir:

Enclosed are two replacement sheets of drawings to replace those drawings originally filed with the application. The drawings originally submitted erroneously contained the word "Amended" in the heading. It is unknown how this error arose, but it was without any deceptive intention.

The replacement sheets of drawing are identical to those originally submitted but without the word "Amended". The replacement sheets were copied from the original patent upon which this reissue application is based (U.S. Patent No. 6,289,515), and are being submitted as suggested by the Examiner in a telephone conversation.

Respectfully submitted,

Robert E. Howard  
Registration No. 22,437
